Look! Up in the sky!

It's a bird...it's a plane...
IT'S DANCEWORKS 2021 SHOWCASE!!

Danceworks' student showcase is an opportunity for dancers of all ages to take the stage to show the progress they have made through their hard work and dedication. Dance is a performance art—so performing is a big part of the learning process, and this experience helps build self-esteem and confidence.

This year's showcase, ***Up, Up, and Away,*** will spotlight the joy that dance brings, even during a time when things feel so different. Our students who are learning in-person and virtually should feel proud of the accomplishments they are achieving week after week. The attention and applause from friends and family on the showcase day is their reward for all their hard work!

Special Thanks

Special thanks to Lighting Designer Colin Gawronski, and to Alison Griffin who fabulously screen printed the t-shirts for this year's Showcase!
