## Private Class Sessions

Private lessons are a great way to prepare for a special event such as a wedding, or to receive coaching for an audition or competition.

Sessions can be arranged around your schedule and are available in a wide range of dance styles and levels. All private sessions are with a qualified member of the Danceworks faculty who specializes in the dance style requested, and can be scheduled on- or off-site. Lesson material is based on your individual needs and moves at a pace that is comfortable for you. Private lessons can be scheduled as a single class or on an ongoing basis. Private session fee is \$65/hr. Visit our website to view private class packages!
