DANCE
WORKS MKE

From Danceworks On Tap Artistic Director

I'm sure it comes as no surprise to anyone when I say I love tap dance, but what I love most about it is its unique ability to create both movement and music, uplift the human spirit, and foster a sense of community through the universal language of rhythm.

Danceworks on Tap has been devoted to preserving this cherished American art form for more than two decades. Despite a two-year hiatus due to the pandemic, DOT is thrilled to be back, presenting a full concert of tap dance alongside other percussive dance forms. That's right--It's (finally) Tappening!

I want to express my heartfelt gratitude to all of DOT and the guest artists who contributed to this show. It has been a true gift to work and collaborate with them, witnessing their passion and enthusiasm for sharing the joy of tap dancing. Their dedication to this art form is genuinely inspiring.

Finally, thank you to all of you for being here and for supporting tap dance and the arts community in Milwaukee.

Enjoy the show!
