The Program

An absolutely average day begins for sweet Alice. Lovely weather makes for a perfect day to take her lessons outside. She begins to read her homework but soon slips into a dream-filled sleep. Her imagination simply carries her away into adventure! Down the rabbit hole she falls, stumbling into a world of endless tea parties, talking caterpillars, and a never-ending card game.

This choreographed production is inspired by Lewis Carroll's classics but takes its own twists and turns. Follow Alice on her danced journey through our Wonderland. Not everything is as it seems...
