FIGHT OR FLIGHT

October 30 – 31 and November 5 – 7
Original compositions by Sam Mullooly
Danceworks Studio Theatre

This concert offers a meditative exploration of movement and visuals that dive into the stress cycle, the nervous system and its various subdivisions. Influenced by the stressors of the Covid-19 Pandemic, the Company aims to support our community struggling with mental health and general stress through a year-long mission that exposes how we can overcome these deeply wired roadblocks and reveal a path to a healthier future.

SONDER

January 27 – 30, 2022
Original compositions by Twin Talk
Next Act Theatre

In *Sonder*, Choreographer Gina Laurenzi welcomes live music to the stage as DPMKE dancers and Twin Talk share space, tune into one another and playfully delight in improvisation. Together, they will craft a blend of sound and movement guaranteed to set a mood and satisfy the senses.

SOBRIQUET

May 7 – 8 and May 13 – 15, 2022
Danceworks Studio Theatre

DPMKE performers and guest artists explore the impacts of labels, their danger to society, and the liberating effects of restructuring the societal labels around us. In a curious investigation of the internal assignment of ideas we apply to ourselves and others on a daily basis, Danceworks aims to heighten the voices of the BIPOC and LGBTQ+ company and community members.
