Performance Sponsorship

Danceworks Performance MKE (DPMKE) is an ensemble of performing artists with dynamically different movement training and experiences that uses its diverse breadth of techniques to strengthen the virtuosity of art making through dance performance. The group maintains a commitment to celebrating the vitality and diversity of the Milwaukee arts community, creating works with curiosity and rigor, heightening the voices and talents of our skilled performers and community members.

Danceworks Performance MKE strives to make its work relevant and accessible to a wide range of audience members by regularly performing and teaching workshops and residencies in diverse communities throughout Southeastern Wisconsin.

Your sponsorship helps defer the costs of production that are not covered by ticket sales. Sponsorships will directly support fees for artists including, but not limited to; Dancers, Musicians, Choreographer(s), Director(s), Guest Collaborating Artists, and Technical Personnel such as lighting and sound engineers/designers. If you would like your sponsorship to cover another expense, we are happy to partner with you to cover other performance expenses such as venue rentals, equipment rentals, costumes, etc.
