As dancers, we understand that movement is necessary to build and maintain strength. That's why we *never* stop moving – to strengthen not only the work that supports our mission, but the communities we serve. Through our performances, classes, and outreach initiatives, we keep dancers and lovers of the arts active, connected and engaged. Join us as a student, patron or participant, and together—we can keep Milwaukee moving! [DanceworksMKE.org](http://DanceworksMKE.org)
